

Gender equality and women's empowerment lie at the very heart of the EU's values. They are goals in themselves.

This is to certify that

**Elena
Petukhova**

attended the seminar

**Mentoring Days
for Women
on 9–11 June 2020**

provided by the European Union Delegation to Russia

The event brought together 22 pre-selected Russian women with mentors from the EU and Russia to discuss gender equality, women's empowerment and female career strategies.

We thank **Elena Petukhova** for her active participation and her meaningful contributions to this important debate.
