RECOMMENDATION LETTER

2023.02.17

Klaipėda

Mohamed Sahbi is a bachelor study program “Management” student at Klaipėda University (Lithuania). From the beginning of his studies, he had good grades in all subjects (the average total of his grade till today is – 8,8 out of 10 in the Lithuania grading system). He graduate in January 2023 with the highest grade in the study program. He is an ambitious, motivated, and hardworking student. He has good communication skills, always looking for a new challenge, he finished an Erasmus program in 2021/2022 in Germany with high grades, representing Klaipeda University in the best way possible. As well, he was among the first three graduates of the EU-CONEXUS bachelor's specialization, and Rector of Klaipeda University (KU) prof. dr. A.Razbadauskas himself congratulated the first University students who graduated from the European University EU-CONEXUS bachelor's specialization "Minor in BlueEconomy and Growth" on October 2022. Universities from several countries participated in universities cluster EU- CONEXUS: France, Lithuania, German, Ireland, Greece, Spain, Croatia, Cyprus, Romania, so his achievement is valuable.

Sahbi Mohamed is a smart, task-oriented student, thus I recommend him for the doctorate program.
