Cosmoscow International Contemporary Art Fair is a highly anticipated art festival that aims to unite the art scene's indisputable trendsetters: galleries, artists, experts, art collectors and connoisseurs from Russia and all over the world.

Since 2014 Cosmoscow has taken place every September, establishing its own place in the international art calendar. The latest edition of the fair took place at Gostiny dvor on September 15-17, 2022, representing 72 galleries and welcoming nearly 24 000 guests.

COSMOSCOW 2022

72 Russian galleries took part in Cosmoscw 2022, presenting more than 1.5 thousand works of contemporary art. The number of visitors following the results of four days of work turned out to be a record 24 thousand people. The sales amount was truly impressive - € 2.4 million.

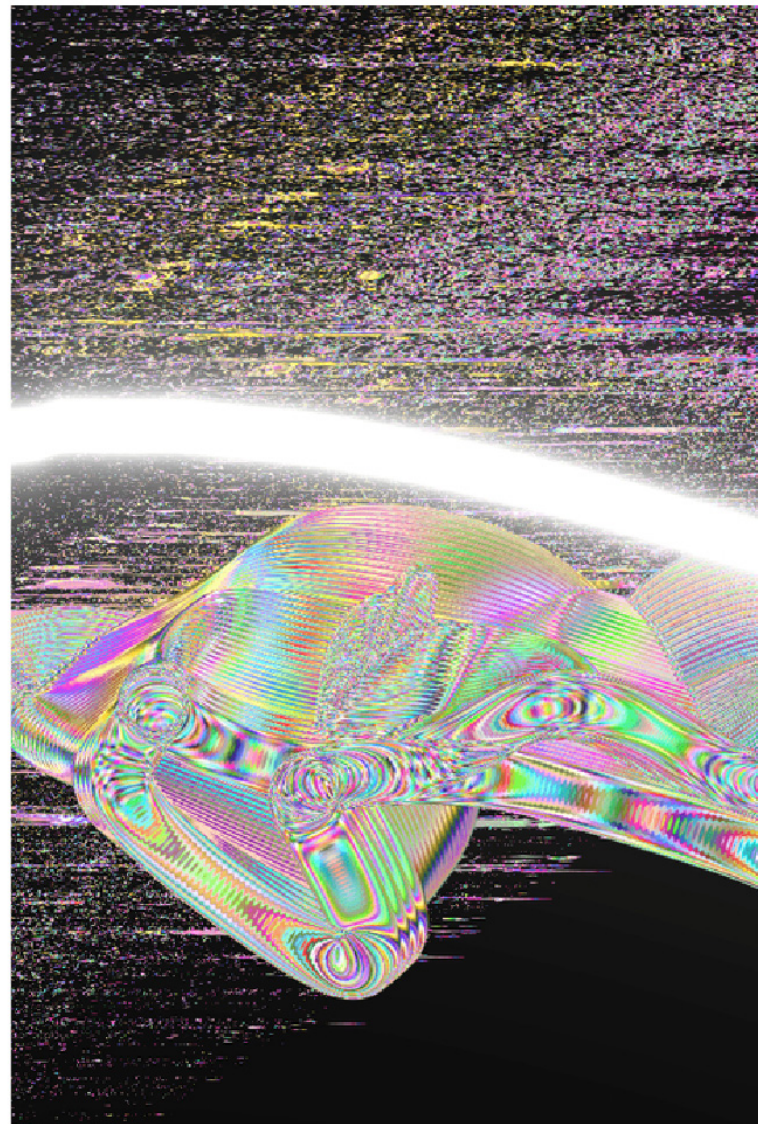

GENERATIVE GALLERY

Generative Gallery is a digital and media art gallery that works in several areas: exhibitions and sales, special projects online, and educational programs. Since its launch in 2018, Generative Gallery has been expanding digital art shows potential and offering the experience of interaction with new media.

Generative Gallery occupied a separate stand at Cosmoscw 2022. Various works by different artists were collected, but they all contained modern art technologies such as NFT and digital components.

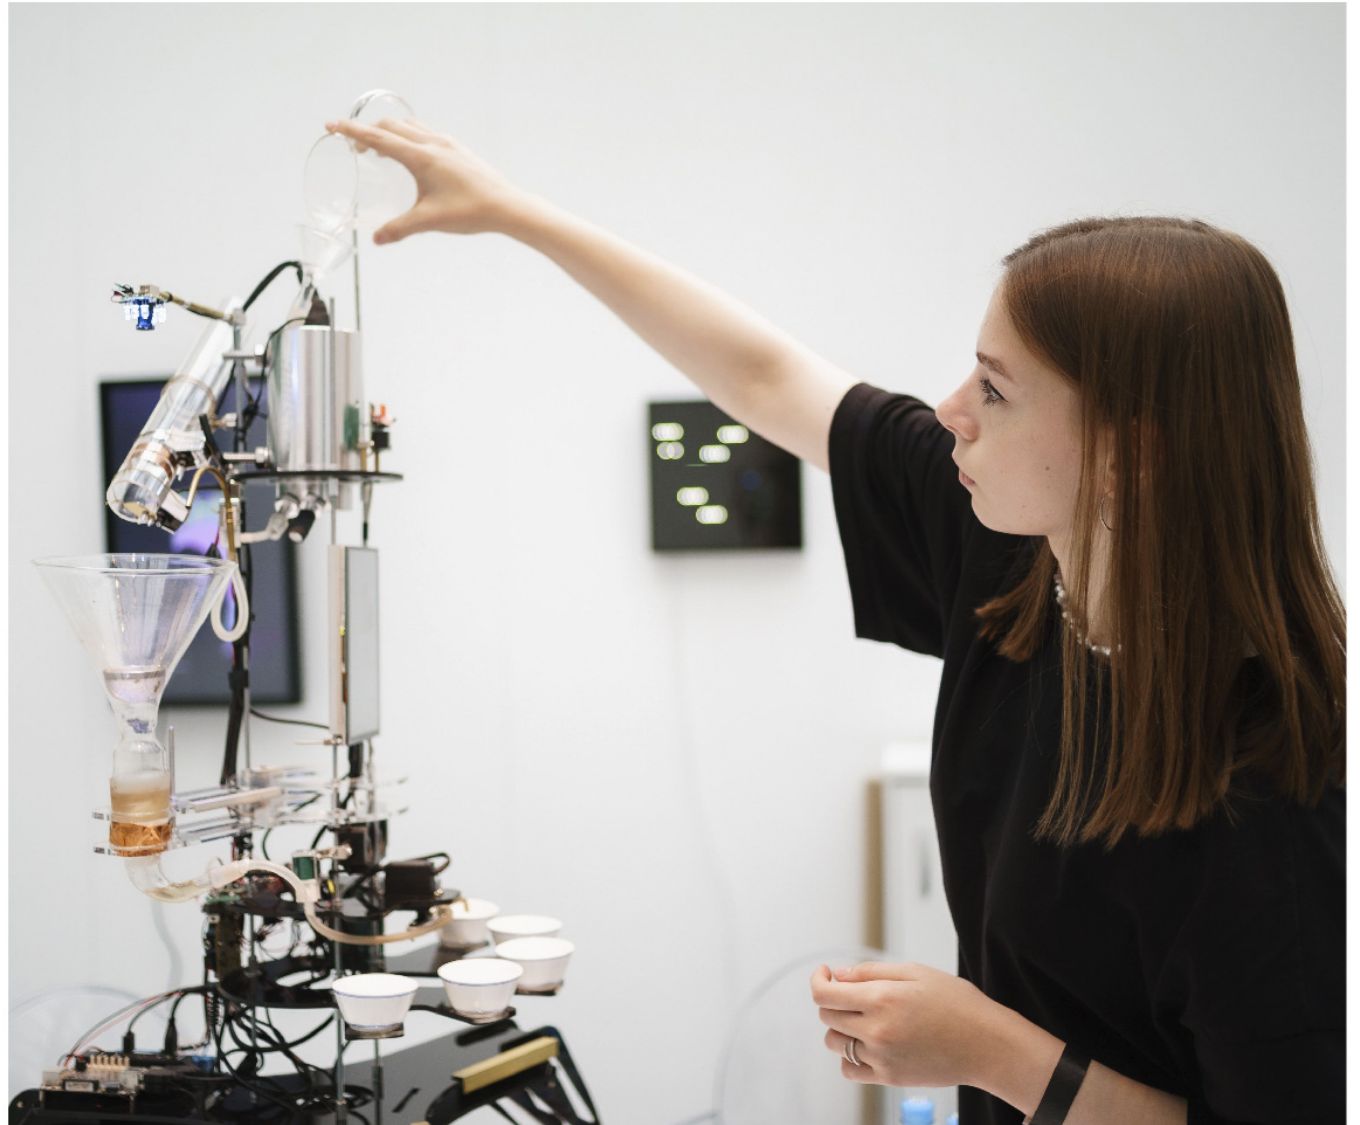

GENERATIVE GALLERY

Throughout all the days of the exhibition, I was one of the representatives of the Generative Gallery stand, my responsibilities included organizing, presenting and selling artwork. The buyers were collectors and celebrities.

Thank you!
