EMPOWERED TO LEAD

in Haanja, Estonia

from 21/10/2022 to 27/10/2022

About the project

Within the project, we aimed to promote youth participation in form of active engagement in youth communities. Specifically, we empower and exchange experiences of young youth leaders who lead teams of peers, organise international and local projects and events eventually impacting their local community of national minorities. The project focused on the development of specific domains of competencies: team and group management, communication, leadership, and design of learning.
