POPULAR FILMS

Spirited Away tells the story of Chihiro Ogino, a ten-year-old girl who, while moving to a new neighborhood, enters the world of Kami. After her parents are turned into pigs by the witch Yubaba, Chihiro takes a job working in Yubaba's bathhouse to find a way to free herself and her parents and return to the human world.

Mowie tells the story of Sophie, a young milliner who is turned into an elderly woman by a witch who enters her shop and curses her. She encounters a wizard named Howl and gets caught up in his resistance to fighting for the king.

The story is about schoolgirl Satsuke and her younger sister, Mei, as they settle into an old country house with their father and wait for their mother to recover from an illness in an area hospital. As the sisters explore their new home, they encounter and befriend playful spirits in their house and the nearby forest, most notably the massive cuddly creature known as Totoro.

WATCH ANIME

Princess Mononoke

The story follows a young Emishi prince named Ashitaka, and his involvement in a struggle between the gods (kami) of a forest and the humans who consume its resources. The film deals with themes of Shintoism and environmentalism. The term mononoke is not a name, but a Japanese word for supernatural, shape-shifting beings that possess people and cause suffering, disease, or death.
